

## Venue Policies VPAC Theater at Oklahoma City Community College

We are thrilled to be hosting our 2019 Oklahoma City, OK event at the wonderful VPAC Theater once again!

Here's an important reminder regarding the venue's food policies & parking.

1. Outside food and beverages are permitted onsite, however, **NO** food will be permitted **inside the THEATER**. Beverages purchased at the concession stands will be allowed inside the theater.
2. **All tobacco products, e-cigarettes, and smoking are prohibited in all College facilities.**
3. OCCC has free parking surrounding the facility, but it is **extremely** limited.
4. The closest lots are Parking Lots C and D. Some parking locations are restricted to campus staff only. Those locations are conspicuously identified.

• **Directions** to & a **map** of the parking options surrounding the VPAC Theater are on the next page.

• The **directions & map** are also on the event page of our website <https://www.starquestdance.com/schedule/oklahoma-city-ok-2019/>.

### **For Studios Bringing Prop Trucks:**

• Information related to the venue's loading dock is on the next page & on the event page of our website.

• Parking is not guaranteed to be available for larger trucks. The lots will fill up quickly, so please arrive early to ensure there is enough space for you.

Thank you in advance for your understanding and attention to these policies.

We look forward to a spectacular weekend in Oklahoma City, OK and can't wait to see your dancers shine!

Respectfully,

*Cynthia Bedford, Tour Manager*

*Erica Chin, Event Concierge*

## LOADING AREA

The loading area is located on the North side of the facility in parking lot C accessed from Faculty Circle. There is no dock at the stage entrance the loading area loading door is a H9'4"XW9'4" roll up door. There is a drive from the parking lot to the door that is L118'8"XW22'5" with a incline for the last 36'3" before the door. There is a sidewalk and alley that intersect the drive in the first 60' There is an overhang that protrudes above the door H11'3", 7'5" from the loading door.
